THE SMARTER  
FIXING IS HERE.

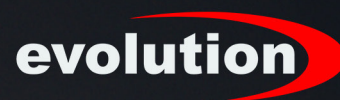

OUR **8.0MM**  
**STAINLESS STEEL**  
**MULTIFIX**  
screws deliver  
high-strength  
performance  
with fast,  
one-step  
installation.

PART OF THE  
**EVOLUTION A4HH**  
**RANGE**, DESIGNED  
FOR DEMANDING  
MASONRY  
APPLICATIONS.

# REDUCE INSTALL TIME.

SAVE LABOUR  
COST PER  
FIXING ON  
EVERY JOB.

Anchor bolts have their place, but for most masonry jobs, Our **8.0mm Stainless Steel Multifix Screws** cut time, reduce drill sizes, and provide predictable grip without expansion stress.
